* our estimates.

** Total provides the sum of population numbers at different dates between April 2010 and end of 2013. It is not exactly the total population at any of these dates.

1- Definition:

Non-nationals are:

1- persons bearing nationality of a foreign State other than the GCC State of residence, or bearing no proof of nationality from any given state (stateless persons and holders of refugee status and travel document in a third country) ;

2- Holders of residence permit residing in the given GCC country at date of census, as per definition of residence used in each of the countries.
