1. Definitions

Jadwa Investment is a Saudi Closed Joint Stock Company with headquarters in Riyadh.

Using official data such as GASTat's data, Ministry of Labour's employment figures and other sources

(among which General Organisation for Social Insurance (GOSI)), Jadwa Investment has been publishing yearly

analyses of the Saudi labour market, which became quarterly since 2017.

2. Institution which provides data

Jadwa Investment (<http://www.jadwa.com/en>; <http://www.jadwa.com/ar>)

3. Data availability

Estimates are quoted in the various issues of the Saudi Labour Market Reports and Updates

published by Jadwa.
